

Snorkel Selection

It's as easy as 1 2 3

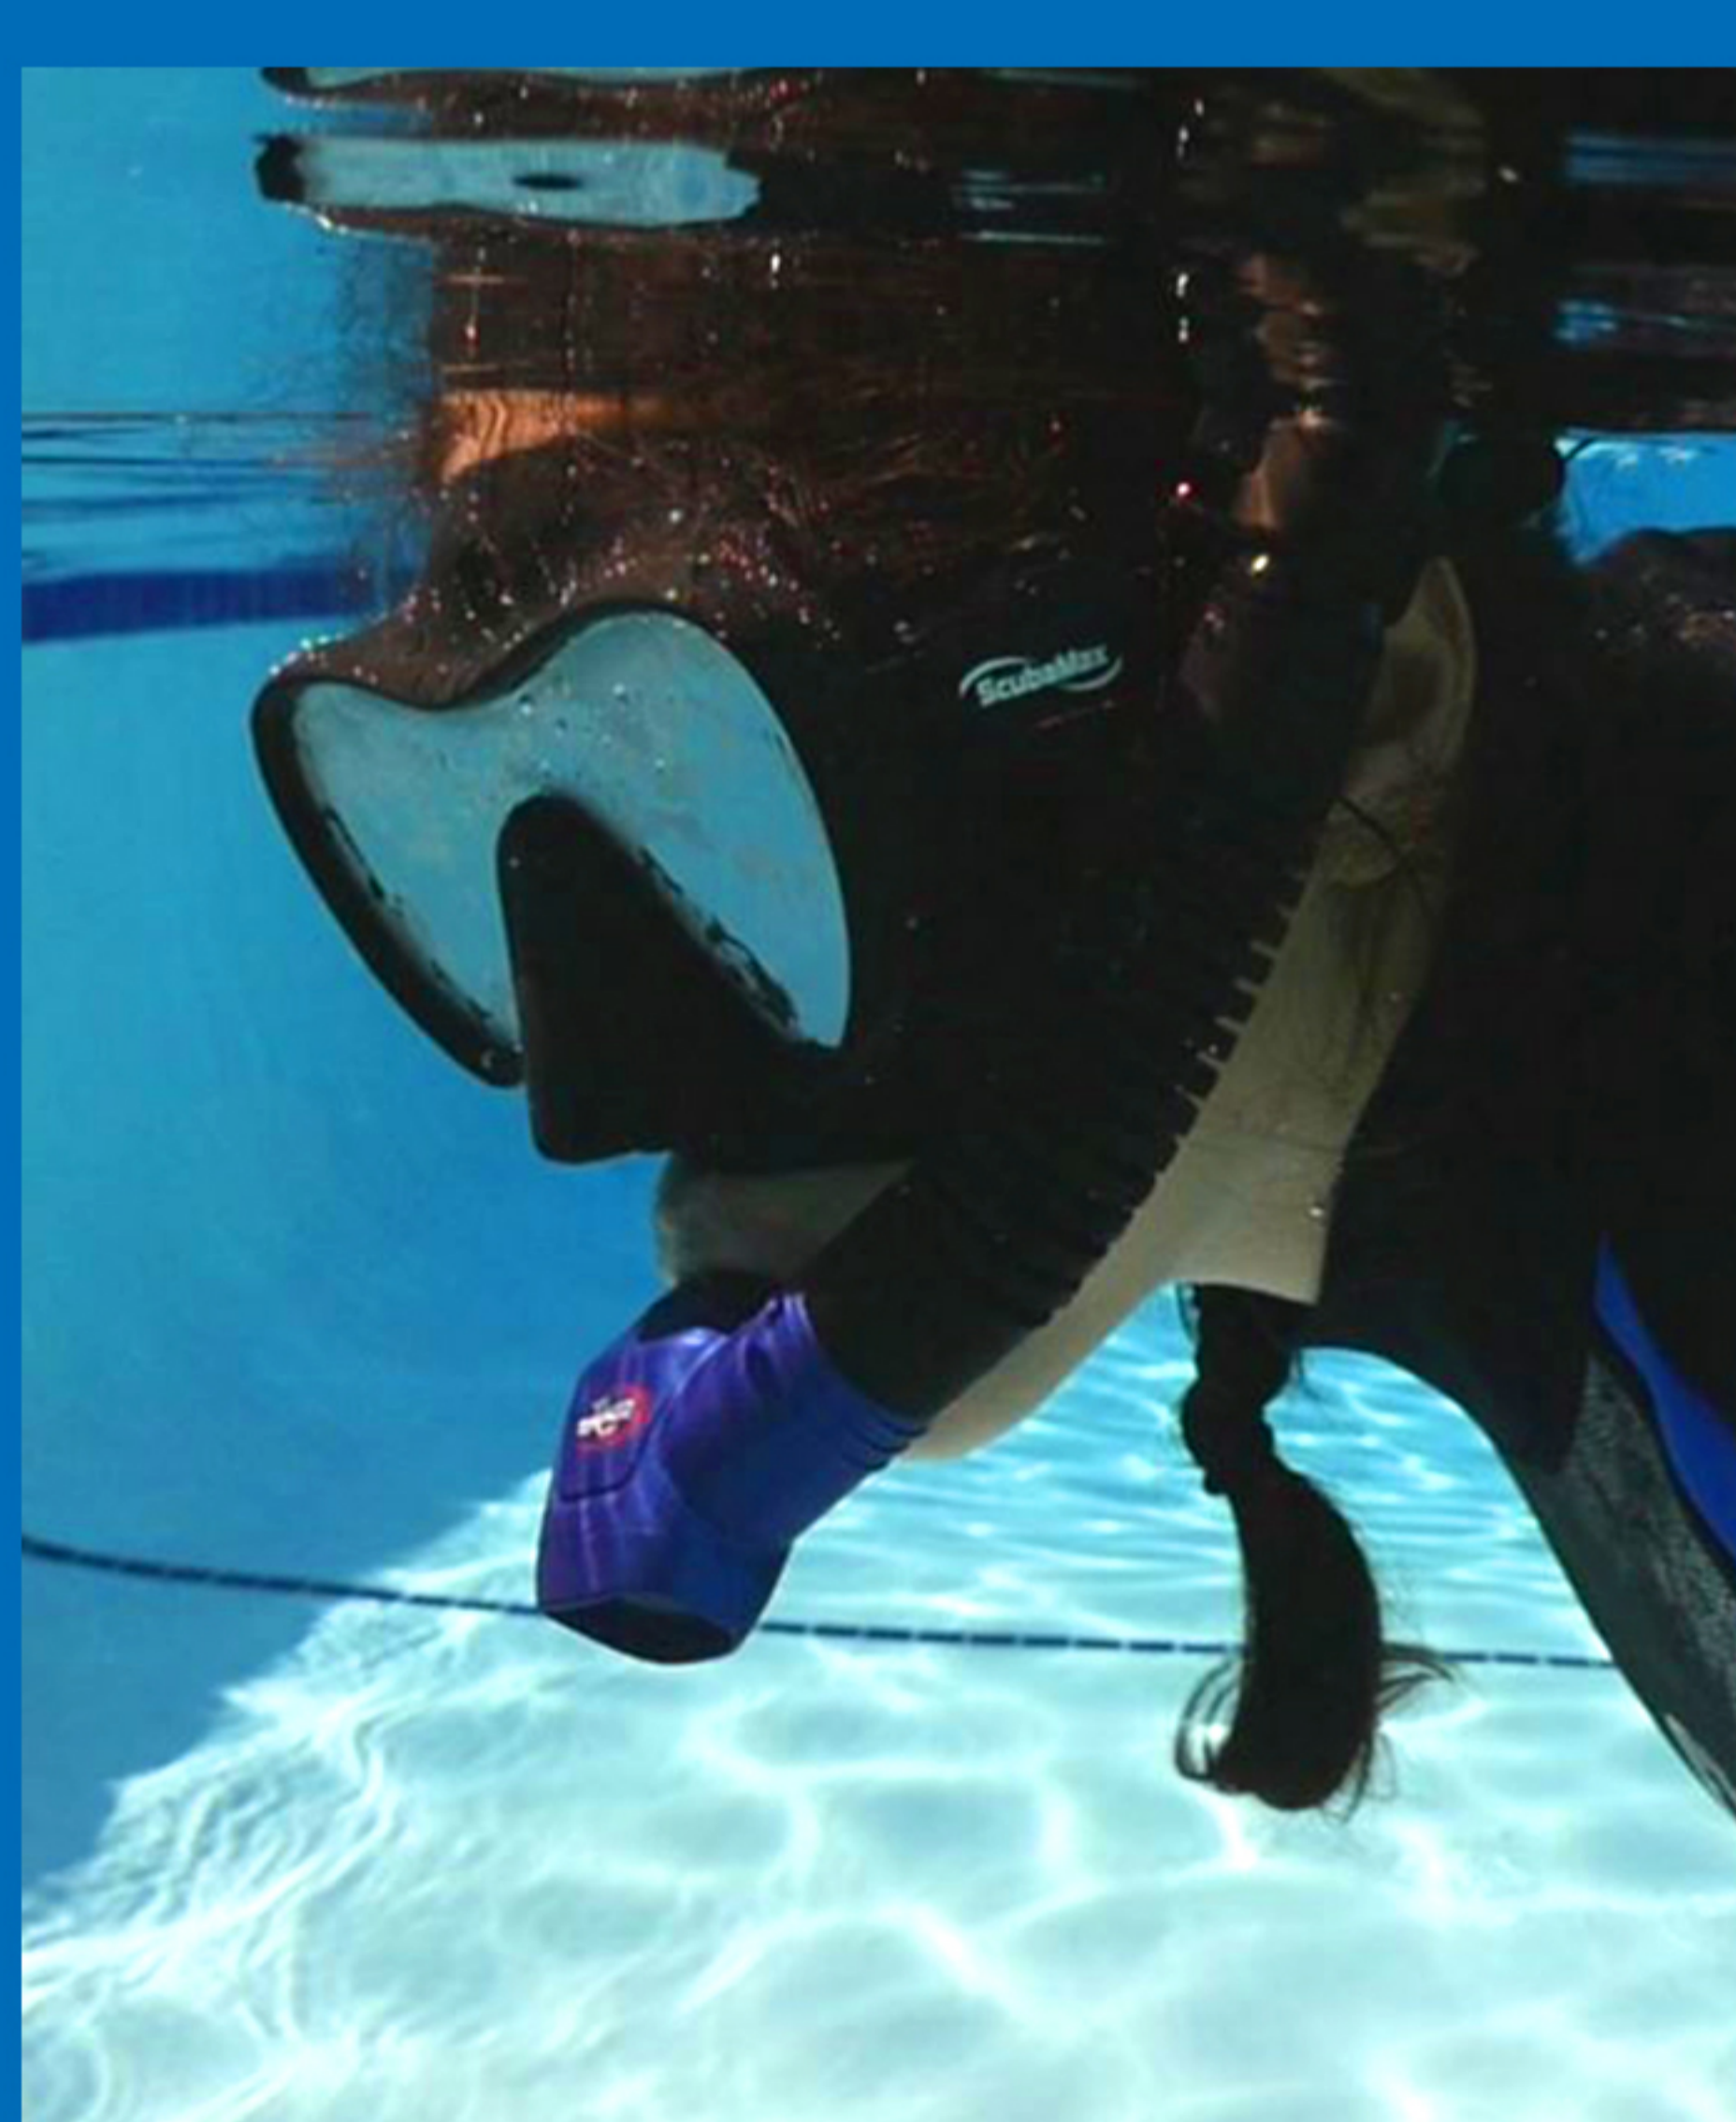

1 SNORKEL 2 SCUBA 3 FREEDIVE

SNORKELERS

1

Self-draining mouthpieces help make clearing easy - Snorkel tip enhancements also help prevent water from entering

SCUBA DIVERS

2

For scuba, it may be better to have one than need one - A folding model lets you keep a snorkel with you "just in case"

FREEDIVERS

3

Freedivers want their snorkels simple and streamlined - Open snorkel tips, no self-draining mouthpieces

REMEMBER:

The best snorkel will depend on whether you
