Open Water Sessions Instructor 2

All requirements for certification as a SDI Open Water Scuba Diver have been met - If **BOTH INSTRUCTOR SIGNATURES ARE PRESENT ON THIS FORM** The student is considered a certified open water diver. This signed form is only **VALID FOR 30 DAYS** from the last OW dive that the evaluating instructor signed and dated. This is only a temporary open water certification card until the diver receives their permanent open water c-card.

STUDENT LETTER OF AGREEMENT: The student agrees that all of the academic, confined and open water requirements for this SDI diver course have been successfully fulfilled by the student. As indicated by the signature below, the student is mentally and physically prepared to engage in open water diving activities without the direct supervision of an instructor, provided the area and conditions approximate those in which the diver was trained. In addition, the student recognizes the need for additional training in order to dive under any other circumstances and after periods of diving inactivity.

GENERAL LIABILITY RELEASE AND EXPRESS ASSUMPTION OF RISK

For _____ (specify course) training program under sanction through SDI.

(Only ONE course can be listed on this form)

Please read carefully. If any questions arise, ask your instructor before signing.

Fill in and initial each paragraph before signing at the bottom.

I, _____, hereby affirm that I have been advised and thoroughly informed of the inherent hazards of scuba diving activities

_____ Further, I understand that diving with compressed air, oxygen enriched air (nitrox) involves certain inherent risks including decompression sickness, embolism, oxygen toxicity, inert gas narcosis, marine life injuries or other barotrauma/hyper baric injuries can occur that require treatment in a recompression chamber. I further understand that the open water diving trips, which are necessary for training and certification, may be conducted at a site that is remote, either by time of distance or both, from such a recompression chamber. I still choose to proceed with such instructional dives in spite of the possible absence of a recompression chamber in proximity to the dive site.

_____ I understand and agree that neither my instructor(s) _____, the facility through which I received my instruction, _____, International Training and Scuba Diving International, nor the officers, directors, shareholders, affiliated companies, employees, agents, or assigns of the above listed entities and/or individuals, nor the authors of any materials including texts and tables expressly used for training and certification (hereinafter referred to as "Released Parties") may be held liable or responsible in anyway for any injury, death, or other damages to me or my family, heirs, or assigns that may occur as a result of my participation in this diving class or as a result of the negligence of any party, including the Released Parties, whether passive or active.

_____ In consideration of being allowed to enroll in this course, I hereby personally assume all risks in connection with said course, for any harm, injury, or damage that may befall me while I am enrolled as a student of this course, including all risks connected therewith, whether foreseen or unforeseen.

_____ I further agree to save, defend, indemnify, and hold harmless said course and Released Parties from any claim or lawsuit by me, anyone purporting to act on my behalf, my family, estate, heirs or assigns, arising directly or indirectly out of my enrollment and participation in this course including both claims arising during the course or after I receive my certification even if such claims may be groundless, false or fraudulent.

_____ I also understand that diving activities are physically strenuous and that I will be exerting myself during this diving course, and that if I am injured as a result of heart attack, panic, hyperventilation, oxygen toxicity, inert gas narcosis, drowning, etc. that I expressly assume the risk of said injuries and that I will not hold the above listed individuals or companies responsible for the same, and I agree to defend, indemnify, and hold harmless said course and Released Parties for any such injuries incurred by me.

_____ I understand that these activities may place me deeper than I am able to safely execute a free (without breathing gas) ascent from.

_____ I understand that I may be required to furnish my own equipment and that I am responsible for its operating condition and maintenance.

_____ I further state that I am of lawful age and legally competent to sign this liability release, or that I have acquired the written consent of my parent or guardian.

_____ I understand that the terms herein are contractual and not a mere recital, and that I have signed this document of my own free act. Further that I understand and agree that, in the event that one or more of the provisions of this agreement, for any reason, is held by a court of competent jurisdiction to be invalid or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this agreement shall be construed as if such invalid, illegal or unenforceable provision or provisions had never been contained herein.

IT IS THE INTENTION OF _____ BY THIS INSTRUMENT TO EXEMPT AND RELEASE MY INSTRUCTORS, _____ (AND OTHERS, _____), THE FACILITY THROUGH WHICH I RECEIVED MY INSTRUCTION _____, THE TRAINING AGENCY _____ AND INTERNATIONAL TRAINING, AND SCUBA DIVING INTERNATIONAL, AND ALL OTHER RELATED ENTITIES AND RELEASED PARTIES AS DEFINED ABOVE, FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE OR WRONGFUL DEATH HOWEVER CAUSED, OR ARISING OUT OF, DIRECTLY OR INDIRECTLY, INCLUDING, BUT NOT LIMITED TO, THE NEGLIGENCE OF THE RELEASED PARTIES, WHETHER PASSIVE OR ACTIVE. I HAVE FULLY INFORMED MYSELF OF THE CONTENTS OF THIS LIABILITY RELEASE AND EXPRESS ASSUMPTION OF RISK BY READING IT BEFORE SIGNING IT ON BEHALF OF MYSELF AND MY HEIRS.

Diver Medical | Participant Questionnaire

Recreational scuba diving and freediving requires good physical and mental health. There are a few medical conditions which can be hazardous while diving, listed below. Those who have, or are predisposed to, any of these conditions, should be evaluated by a physician. This Diver Medical Participant Questionnaire provides a basis to determine if you should seek out that evaluation. If you have any concerns about your diving fitness not represented on this form, consult with your physician before diving. If you are feeling ill, avoid diving. If you think you may have a contagious disease, protect yourself and others by not participating in dive training and/or dive activities. References to "diving" on this form encompass both recreational scuba diving and freediving. This form is principally designed as an initial medical screen for new divers, but is also appropriate for divers taking continuing education. For your safety, and that of others who may dive with you, answer all questions honestly.

Directions

Complete this questionnaire as a prerequisite to a recreational scuba diving or freediving course. Note to women: If you are pregnant, or attempting to become pregnant, *do not dive*.
